Hello, gang. Here's some more mail---(We love it--just simply love it!)--so will get right to it!

FORT BENNING, GEORGIA

Dear Editor:

Received your most welcome Byline, and was glad to hear from the old home town. And, to let you know I have another change of address, before I ship over. I plan to have many of them. Am having a hard time thinking of all of them!

I have some good news---I'm starting the climb again--back to PFC--maybe I can keep it. Am trying for CPL--and that is high enough for me!

If you see Mr. and Mrs. John Tracy--I don't think they know me too well, but I was introduced to them once--tell them I wish them luck. I don't think I'LL be getting married until I'm out of the army, though.

I guess that's just about enuf, unless you would like to hear a trooper's joke: A young man had enlisted in the paratroopers---the parachute was explained to him. "When you jump," said the officer, "count ten and pull the first ring. If the parachute doesn't open--pull the second ring--you won't have anything to worry about---but if the second ring doesn't work, pull the third. When you land, you'll find a truck waiting to take you to your next position." The plane took off, and the young man bailed out with the others. He counted to ten slowly, and pulled the first ring. Nothing happened. He pulled the second ring. Nothing happened. He pulled desperately at the third ring--but nothing slowed his speedy drop. "Well," he thot irritably--"If that aint just like the army! This parachute is no good--and when I land, I'll bet that truck won't be there, either!"

I guess that's just about enuf out of me--so if you will say hello to everyone for me, I'll thanking you in advance!

BILOXI, MISSISSIPPI

Hi, Mrs. Rocco:

I have just completed basic, and I think it's about time I wrote you again to tell you that I've changed addresses. Right now I'm down in Miss. at Koesler Airforce Base. How is everyone doing in Brisbane? Just like always I hope. Boy, I wish I was back there now! But I'm not complaining about this base. I really like it--better climate, and good food. Also we're only a half mile away from the Gulf of Mexico, so I'll get a lot of swimming done while I'm down here. Right now I'm just waiting around for my school to open up. I'm taking up Air Traffic Control-Tower operator. The course itself lasts about four months. I figure I'll be back in Brisbane some time in August, or before.

I really appreciate getting the Byline from you--it's the only way I have of keeping up with what's happening in Brisbane. I sure enjoy it!

I think it's a great idea for all the boys in service---and I know the rest of them feel the same way as I do about it.

Well, it's just about 10:00 P.M. and just about time for the lights to go out.

Sincerely,
PFCDONALD KLINE

SAN DIEGO, CALIF
Apr. 8:52

Dear folks:

Being as how I was up there over the past weekend, I'm not going to write too much in this. But I am enclosing a little poem taken from the "Gyrene "Gyngles". I think you will enjoy reading it. I did, but then--I'm a "D.I." (Drill Instructor) myself, so maybe I'm prejudiced.

THE MARINE'S 23RD PSALM

The D.I. is my Shepherd, I shall not want---
He maketh me to pick up burnt matches;
He leadeth me through mud puddles---
He restoreth my step.
He guideth me on the course of
Obstacles--for my health's sake;
Yea, tho' I walk thru valleys,
I must RUN up hills!
He anointeth my head with abuse,
And my cup runneth over.
Surely cadence and mess duty will
Follow me all through the days of
My Marine Life--
And I shall dwell in the hair of
the D.I.---forever!

****

I want to let you know that I got the Byline and enjoyed reading it very much. I will always think of it as a MORAL BUILDER!---Well, I will say goodbye for now.

As ever,
CPL. DONALD (MICKEY) HUNTER--USMC

REWARD OFFERED BY JUDGE BOCCI

Judge Thomas L. Bocci, Jr., recently stated that he is prepared to offer a reward of $250 for the apprehension and conviction of anyone found tearing down or mutilating either his campaign signs, or those of his opponents.

Over the past few weeks it has come to the attention of Judge Bocci, who is a candidate for unicipal Judge in the June Primaries, that many of his political signs and posters have been torn down and mutilated. In an interview with the press, Judge Bocci noted, "that apparently this is a repitition or the same conduct that took place two years ago when I was a candidate for the office of Judge. At that time my campaign signs were smeared with red paint. Unquestionably such conduct is the act of hoodlums and ruffians who are irresponsible and totally without moral standards."

Judge Bocci also noted from a reading of a press release by his opponent that many of HIS signs were also torn and mutilated. "Whether the posters be mine, or those of my opponent, is unimportant. Rather the perpetration of such acts is paramount, since such conduct reflects on the integrity of our American people and particularly our system of government,"--so stated Judge Bocci.

REILLY APPOINTED CAMPAIGN MGR.

Edward J. Reilly, city councilman and former mayor of San Mateo, was recently appointed to act as general campaign manager of the San Mateo County drive to elect Congressman Clinton D. McKinnon, of San Diego, to the office of United States Senator from California.

McKinnon, who has the united backing of the organized Democratic groups of the state, will oppose U.S. Senator William F. Knowland, Republican.

TAGGART URGES ACTION!!

Harold F. Taggart, Congressional Candidate from the new 9th Congressional District, this week sent the following wire to the President of the United States:

"To the Honorable Harry S. Truman, President of the United States, Washington, D.C.: Urge your approval of measure returning ownership and control of tide lands within coastal boundaries to the States."--signed, Harold F. Taggert, Democratic Congressional candidate, New Ninth Congressional District.

Taggert has stated that, "in order to insure the national defense and control, the waters inside offshore islands such as we have off the coast of California, the boundary of our state should be recognized as defined in our state constitution at three miles beyond these island chains."

Taggart recently announced the appointment of Roy W. Searaves, Burlingame attorney, as his general campaign manager.

POLITICAL--inside Brisbane:

Out of a possible 800 voters here in Brisbane, some 300 trekked to the Legion Hall on Monday of this week to vote for a new Police Commissioner in this district. Incumbent candidate, V.V.Gilman, lost to his opposing candidate, Ted Lehning, by a small margin of 19 votes. Final scoring showed a total of 159 votes cast for Lehning, and 140 for Gilman. There was one spoiled ballot--making a total of 300 ballots counted.

Now---we can't help wondering what became of the other 500 or so registered voters in this district. Was it the rain that kept them home---or was it a "I don't care" attidute? We realize that some voters must have just "plain forgot" that Monday was voting day in Brisbane. But---how long could this country of ours keep on running as a Democracy if EVERYONE just plain forgot? Everyone, that is, except the few who would take advantage of such a situation.

Take heed, voters of Brisbane. YOU MUST BE REGISTERED BY THURSDAY, APRIL TENTH, IF YOU WANT TO VOTE IN THE JUNE THIRD PRIMARY ELECTIONS. Thursday, April 10th. That's YESTERDAY, according to theday this paper is dated. BUT, since the BYLINE comes out on Thursday instead of Friday---that gives YOU, reading voter, just a few hours grace in which to register for this coming IMPORTANT election. Your local Registrars are HELEN CHESLYN--or LESTER E. BYBEE. You can find them both in the phone book. CALL THEM NOW--and say--"I WAN'T TO REGISTER TO VOTE". And you registered voters---PLEASE DON'T FORGET TO VOTE IN THE IMPORTANT JUNE 3RD PRIMARIES!

---Our congratulations to Mr. Lehning on becoming our new Police Commissioner and condolences to Mr. Gilman on losing the good fight!

* * * * * * * * * * *

IN REGARDS POLICE TAX:

In last week's issue of the Byline, we suggested you read Wednesday's copy of the Burlingame Advance for the report on the Police Tax, decided upon at the April 1st meeting of the Brisbane Police Commissioners. Since last week's Byline came out, we have received numerous requests to reprint that item in this week's Byline. You will find it on page six of this issue---but remember, please--the amounts given are not correct!---The Editor.

WELL-KNOWN LOCAL MAN PASSES AWAY:

Brisbane lost one of it's pioneers last Friday, April 4th, when Andrew Mitchell, of 347 Alvarado Street died at Community Hospital. Mr. Mitchell was 91 years of age at his death, and is survived by his widow, Marjoria, and nine sons and daughters, two of which were Brisbane residents Stella Arthur, and Dora Killion. Others were Norma Mitchell of Idaho; Orville Mitchell, of Sacramento; Orla Mitchell of San Francisco; Winnette Johnson of Oklahoma; James Mitchell of southern California; and Fona Smith of Oklahoma. Final rites were held on Monday, April 7th, 1952--at the Nauman, Muzio and Lincoln Chapel at South San Francisco.

The BYLINE offers it's sincere sympathies to the bereaved family.

EDITOR'S NEPHEW HERE:

Gary Hichley, 16, of Hat Creek, California, and friend Calen Wibeson, of Anderson, California--members of the FFA MacArthur chapter--will take home with them a collection of blue ribbons and red ribbons, on their entries at the Cow Palace this past week. Gary, nephew of Gladys and Warren Reece of 472 Sierra Pt. Road, Brisbane, won three blue ribbons (choice) and two red ribbons, (good) on his five Poland-China Hogs; while friend Calen's two Poland-China hogs won two blue ribbons. The two boys got their eyes full of "town" (meaning San Francisco) when the Reeces drove them around the city on Tuesday of this week--while the Reeces got their eyes (and noses) full of "farm" when the boys showed them around the Cow Palace on the same evening.

Gary left here on Thursday, April 10th, to return to his parents' ranch at Hat Creek (near Mt. Lassen). Gary's folks are your editors sister and brother in-law, Ted and Eloise Hichley.
